

Vacuum/Water Blast Technician Pittsburgh, PA

MPW Industrial Services is a leading provider of technology-based services to industrial, manufacturing and process facilities in the United States and Canada. With headquarters in Hebron, Ohio, MPW has over 35 years' experience rapidly responding to customer needs from our network of more than 40 offices.

MPW partners with customers to enhance operational efficiencies, improve reliability and minimize costs. Qualified, highly trained personnel respond to your needs, delivering services with the highest ethical standards and commitment to safety.

We have an immediate open for a **Vacuum/Water Blast Technician** that will be based at our Pittsburgh Branch.

Responsibilities – Vacuum/Water Blast Technician

- This position is responsible for the operation of tools and equipment in a variety of customer work sites for the purpose of providing industrial and/or environmental cleaning.
- Arrive at branch or jobsite on time, in uniform, properly groomed, mentally alert and physically able to work.
- Operate MPW vehicle (car or van).
- Set up jobsite including water blast hose, or vacuum hose.
- Use equipment such as, water blast gun, water lance, dry vacuum hose (6" and 8"), wet vacuum hose (6" and 8"), shovels and picks.
- Strictly adhere to MPW Health and Safety Policies and Procedures.
- Cleans equipment prior to return to MPW branch location.
- Demonstrate initiative in execution of assigned tasks.
- Performs other duties as assigned by immediate supervisor.
- This position may be called in at various hours and days of the week 24/7, due to the emergency response nature of the business.
- Several long and non-traditional hours are required as a regular part of this position.

Physical Requirements –

- Ability to carry/lift up to 75 lbs.
- Ability to maintain a consistent workload that involves heavy manual labor.
- Ability to maintain alertness and acuity that is not typically impaired by any medication, diet, or physical condition.

A Passion For Excellence

- Ability to bend, stoop, squat, sit and maneuver in confined spaces.
- Ability to wear respirators in environments that may expose you to chemicals, fumes, etc.
- Ability to maintain workloads that may include travel to a variety of states for days or weeks, and daily timeframes that could exceed the typical 8-hour shift.

Qualifications –

- High School Diploma with specialization in industrial or vocational trades preferred.
- Some High School Education acceptable.
- Valid Driver's License and be within current limits for MPW Driver Points.
- Experience performing manual labor in an outside setting.
- 0-1 years of "hands on" experience with tools or heavy equipment.

The pay scale will be \$10.00-\$11.00 per hour depending on experience and also comes with a comprehensive and competitive benefits package.

The hours vary and include all shifts and weekend work.

MPW requires all individuals to successfully pass a drug and alcohol screen (monthly) and have a valid state issued driver's license with a clean driving record (less than 6 points).
