

A Passion For Excellence

Management Trainee Hebron, Ohio

MPW Industrial Services, Inc. is the leading provider of integrated technology-based industrial cleaning, facilities management, container management, and water purification services in North America. Headquartered in Hebron, Ohio, MPW has been providing rapid response to meet the diverse needs of industrial clients for 35 years. Our highly trained crews may be deployed with mobile assets or may service our client's needs from our fixed-based network of over 40 operational facilities.

MPW's Industrial Cleaning division is seeking a **Management Trainee** for our **Hebron, OH** location. This position will require the individual to learn all aspects of the business. The majority of this work will be conducted at Corporate dispatch, customer sites, which may include Steel Mills, Power Plants, Pulp and Paper mills, and various other industrial sites. The program consists of hands on training selected to give the trainee a solid understanding of the company, an in-depth look into the industry, superior management skills, leadership qualities, and outstanding opportunities for growth and promotion.

Requirements:

- Associates or Bachelor's degree in Business or Science degree is preferred.
- Talented individuals who are willing to learn our business hands-on, and then apply their academic and real-world experience in our industry.
- Candidates should have proficiency with all MS Office applications.
- Candidates should be forward thinking and have a strong willingness to learn all aspects of the business in a fast paced environment.
- Flexibility to relocate will translate into increased opportunity for advancement.
- Must be willing to travel

Responsibilities:

- Assist in plant operations, equipment upgrades and improvements.
- Assist in the daily operations of dispatch and management.
- Learn equipment usage, be a part of outages, and work side by side with hourly workforce.
- Shadowing Sales and Management teams.
- Participate in daily safety meetings and toolbox talks.
- Trouble shooting and problem solving
- Ability to manage responsibilities and priorities in a fast paced, competitive industry.
- Interact with customers, executives and members of the sales team.
- Must be willing to travel to various sites and locations around the country to assist in special projects.
- Participate in Management meetings.
- Must possess the desire to lead.

If you have high degrees of self-discipline, enthusiasm, drive, and are looking for a position with endless opportunities, we want to hear from you!
