

# Pipeline Jetting

Single-source solution for cleaning catch basins, laterals, storm drains and sewer lines.

Thorough and efficient cleaning of up to 2,500 feet of sewer pipe.

Advanced water pump capable of 100 gpm at 3,000 psi and a telescopic boom system capable of a 26-foot reach.

## FEATURES

- Eight-inch vacuum system with a heavy-duty, channel-reinforced elbow for maximum durability
- Telescopic boom with 26-foot reach
- Front-mounted digital display screen with diagnostic and troubleshooting capabilities
- Reel capacity of 1,000 feet from 1-inch hose; 600 feet with 1 1/4-inch hose
- Water supply of up to 1,500 gallons
- Tilt-ejection unloading
- Remote-controlled vacuuming and water system

## BENEFITS

- Manual rotation up to 270 degrees, facilitating manhole entry and reducing traffic-flow interruption
- Operates remotely, removing technician from hazard area
- Safer unloading with tilt-ejection feature
- Built-in troubleshooting and diagnostic scanning
- Increases efficiency and reduces downtime
