

Decontamination Training Services

Training on best practices for epidemic/pandemic environmental cleaning and disinfecting with a special emphasis on coronavirus and COVID-19.

MPW's Training Department works with your team to develop a custom program for your facility and crew.

On-site, instructor-led and remote training options are available featuring live Q & A sessions with MPW's specialized training team.

COVID-19

- Understanding the Coronavirus
- COVID-19
 - Symptoms
 - Route of Entry
 - Spread
 - Safety Recommendations
