

# Industrial Services & Capabilities

**AMERICA'S  
TRUSTED  
INDUSTRIAL  
SERVICES  
PROVIDER  
SINCE 1972**

As the leading provider of integrated, technology-based industrial cleaning, water purification and total site solutions in North America, MPW assists in enhancing operational efficiencies, improving reliability and minimizing costs.

In-house engineers and fabrication technicians understand the importance of customized proprietary tooling and mobile operating systems to ensure safety and accommodate unique industry requirements and demands.

## INDUSTRIAL SERVICES

**Automated Tube  
Lancing**

**Boiler Services**

**Camera Inspection**

**Coatings Removal**

- Chemical Stripping
- Thermal Burn-off

**Commissioning/  
Pre-Commissioning**

**Cooling Tower Cleaning**

**Cryogenic Cleaning  
(Dry-Ice Blasting)**

**Customized Tooling  
Applications**

**Decontamination  
Services**

**Deep Cleans**

**Dredging & Dewatering**

**Dust Mitigation**

**Engineering &  
Fabrication Services**

**Hydro Excavation**

**Industrial Vacuuming**

**Paint System  
Management**

- Skids, Fixtures, Jigs,  
Dolly Management &  
Cleaning
- Custom Blast Booths

**Production Support**

**Technical Cleaning**

**Turnaround Services**

**UHP Cleaning & Cutting**

**Utility & Environmental  
Services**

- Pipeline Cleaning &  
Inspection
- Waste Transportation

**Water Jetting**

**24/7 Emergency  
Response**

## INDUSTRIAL WATER

**24/7 Emergency  
Response**

**Water Systems**

**Mobile Systems**

**Engineering Design**

**Degasification**

**Media Filtration**

- Multimedia & carbon  
system rebeds

**Deionization (DI)**

- Service Exchange DI
- Re-beds of ion  
exchange resins in  
customer-owned DI  
systems

**Clarification**

- Ash Pond  
Remediation
- Wastewater Treatment
- High Solids Removal

**Ultrafiltration (UF)**

- High Solids Removal
- Ultra-filtration/  
Reverse Osmosis  
(UFRO)

**Reverse Osmosis (RO)**

- RO Service and Parts
- Membrane  
replacements in  
customer-owned RO  
systems

**Build, Own, Operate  
and Maintain (BOOM)**

- Custom-designed  
skid-mounted and  
containerized systems

**Products Direct**

- Sales & Service
- Water Direct Portal
